1. In accordance with your request contained in ref B, there is a draft of a proposed new agreement between CIA and USAF for the joint operation of Project QXCART. As you will see, this document is modeled very closely on ref A.

2. Colonel Geary, Mr. Cunningham and I have gone over our draft carefully and each has contributed his heart to the finished document. There are no areas of disagreement.

3. You may wish to make a few changes in the language of the text and in the interest of saving time, perhaps have your staff prepare the final document for signature by the DCI.
